Crochet in joining rounds, bottom up.

Chain 65 st (c1)

**Row 1 (round 1):** chain 1, turn, crochet sc across the row

Cut the yarn, pull it through the last stitch, tighten.

You should have 6 stitches left. Pick them up using your tapestry needle, tighten. Make a knot, sew the end.

Attach a pom-pom at this place if you like.

Sew all the other ends.

Sew the space from the beginning (1st row).

To have a nice edging, crochet over the first row crab stitches. Skip every 13th stitch.

You don't have to do it, but you can if you like.
